## IS YOUR SKIN ON FIRE?

Here is a Reliable Healing Application for Eczema.

Try this Remedy at Our Risk.

"If I could only get relief from this terrible itching, I would give anything," said an eczema sufferer the other day.

It was very easy for us to advise in such matters now, for our new remedy (Saxo Salve) for skin diseases of all sorts, stops the itching right away.

But, better than that, it makes the skin healthy again. It is made so as to penetrate right into the skin and saturate every portion with its healing, germ-killing power.

Even in a few days you can see that Saxo Salve is soon going to clear away the eruption.

No other skin remedy can do so much for you as Saxo Salve. It is guaranteed. If it does not satisfy you when used for any skin disorder we give back your money.

Yesterday was marked by a general drop in temperature throughout the Rocky Mountain region. The coldest place reported in the country was Havre, Mont., where it was 2 degrees below zero. In all other localities the weather was warmer than usual. Considerable rain in the northwest and some in Colorado and the middle states was reported yesterday.
